Note1 "Existing Stores" refer to stores that have operated for over 13 full months as of end of each month; therefore the number of such stores changes each month.

Note2 If the store would operate for more than two thirds of days in operation for the month, it is considered as the existing store.

Note3 In addition, the number of stores which are not included in existing store data is as follows.

The number of redecorated store..... 5 stores
The closed stores 6 stores(5 stores out of 6 stores are included in existing shop)
The closed store list Kanazawa Moroe store, Mikumo store, Shizuoka Simokawahara store
Eda station east store, Aeon Ishinomaki east store, The mall Mizuho store

Thank you so much for your support for many years.

Note4 The above figures are not inclusive of our new types of business other than Italian restaurant "Saizeriya."

Note5 The number of customers calculated based on the following definition is taken into account as the number of customers by take-out.

The number of customers by take-out : The sales of take-out ÷ The average spending per customer of eat-in
